

11KW Monoblock Heat Pump Side Discharge 3/220V/50Hz Power Supply

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meidibao
- Certification: CE
- Model Number: MDB-30W/C1
- Minimum Order Quantity: 6 units
- Price: negotiate a price
- Packaging Details: Factory standard packing
- Delivery Time: Specific to the order based on regular products 5 to 7 days. Custom made for 30 days
- Payment Terms: T/T
- Supply Ability: 200 units a Month

Product Specification

- Heat Exchanger: Shell In Coil
- Refrigerant: R410A
- Color: Dark Gray OEM
- Compressor: Scroll
- Max Hot Water Temp: 60
- Working Temp: 0-43
- Name: Monoblock Heat Pump
- Highlight: **11KW Monoblock Heat Pump,
Monoblock Heat Pump Side Discharge,
11KW Heat Pump Monoblock**

Product Description

11KW Monoblock Heat Pump side discharge 3/220V/50Hz Power supply

Product Description:

This 11KW Monoblock Heat Pump features a unique side discharge design. It operates on a 3-phase, 220V, 50Hz power supply, ensuring efficient and reliable performance. The heat pump is engineered to provide consistent and stable heating and cooling capabilities. It offers superior energy efficiency, helping to reduce energy consumption and costs. With its advanced technology, it can adapt to various environmental conditions and delivers optimal comfort. The unit is compact and easy to install, suitable for a wide range of applications, whether in residential, commercial, or industrial settings. It comes with a set of user-friendly controls and intelligent operation features for added convenience and flexibility. The durable construction ensures long-lasting performance and minimal maintenance requirements.

Feature:

1. Easy installation, Monoblock type
2. Famous brand compressor
3. EEV
4. Auto protection

Specification:

Product	Air source heat pump
Model	MDB-30W/C
Climatic type	Normal
Power supply	220V/3HP/50Hz
Rated heating capacity	11.4kW
Rated power input	3.08kW
Max Rated current	18.2A
Refrigerant	R410A
Rated water temp.	55
Max hot water temp.	60
working temp	0-43
water pipe size	3"
Noise	≤63dB(A)
Product dimension	700×420×1200mm
Net weight	120kg
Testing condition: ambient Dry/Wet Bulb Temp: 20 / 15 ; Water Inlet Outlet Temp: 15 / 55	

Advantages:

Meidibao commercial heat pump provides year-round comfort to any business or office. A heat pump split and monoblock system can take care of both your heating and cooling needs and save you money in the process.

A heat pump is an air conditioning condenser that is configured to work "in reverse" in the wintertime when heat is needed rather than cooling. You get a heater and air conditioner in one efficient unit. Our wide selection of air source heat pumps ensures that we have your heating and cooling needs covered, and our state-of-the-art products can save you an amazing amount of money on energy bills. Our inventory of heat pumps includes 220- and 420-volt units.
