

## 5HP Heating And Cooling Heat Pump Side Discharge Space Saving

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Meidibao
- Certification: CE
- Model Number: M-C18AAH2
- Minimum Order Quantity: 6 units
- Price: negotiate a price
- Packaging Details: Factory standard packing
- Delivery Time: Specific to the order based on regular products 5 to 7 days. Custom made for 30 days
- Payment Terms: T/T
- Supply Ability: 30 units one day

### Product Specification

- Working Ambient Temperature: 0~43C
- Refrigerant: R410
- Color: Dark Gray OEM
- Brand Name: MEIDIBAO
- Compressor: Scroll
- Heating: 18KW
- Name: Heating And Cooling Heat Pump
- Highlight: **5HP Heating And Cooling Heat Pump, Heating And Cooling Heat Pump Side Discharge, Side Discharge Heat Pump Heating And Cooling**

## Product Description

5HP Heating And Cooling Heat Pump side discharge Space-saving, applicable to some places where space is limited

### Product Description:

This heat pump is designed to provide both heating and cooling functions, making it suitable for all seasons. With a 5HP capacity, it can effectively handle the temperature control requirements of medium-sized spaces.

During the colder months, it efficiently extracts heat from the outside air and transfers it indoors, providing a warm and cozy atmosphere. In the summer, it reverses the process, removing heat from the indoor space and releasing it outside, offering a refreshing and cool environment.

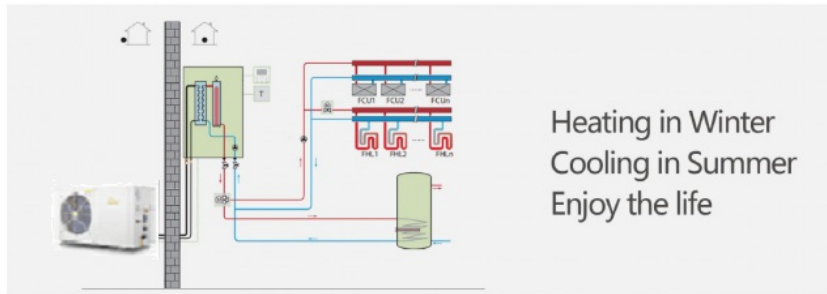

The heat pump is engineered with advanced technology to ensure energy efficiency, reducing your electricity bills while minimizing the environmental impact. It operates quietly, ensuring a peaceful and undisturbed living or working space.

Installation is straightforward, and its user-friendly interface allows for easy operation and temperature adjustments.

Maintenance is also hassle-free, ensuring long-term reliable performance.

Invest in this 5HP Heating And Cooling Heat Pump to enjoy a consistently comfortable indoor climate throughout the year.

### Feature:

### Specification:

Product	Air source heat pump
Model	M-C18AAH2
Climatic type	Normal
Power supply	380V/3HP/50Hz
Rated heating capacity	17.5kW
heating power input	4.4kW
Rated cooling capacity	11.5KW
cooling power input	5.2KW
Max Rated current	10.1A
Refrigerant	R410
Max hot water temp.	60
cooling water temp.	7
working temp	0-43
water pipe size	DN25
Noise	≤65dB(A)
