

22kw Most Efficient Air Source Heat Pump For Swimming Pool Or Spa Facilities Commercial Domestic

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: meidibao
- Certification: CE
- Model Number: KFXRS-21II-M3
- Minimum Order Quantity: 6SET
- Packaging Details: wooden frame or plywood box
- Delivery Time: 25-30days
- Payment Terms: T/T
- Supply Ability: 30 set one day

Product Specification

- Type: Swimming Pool Air Source Heat Pump
- Heat Exchanger: Titanium
- Working Ambient Temperature: 0~43C
- Heat Water Capacity: 473 L/h
- Power Supply: 380V-415V/3/50HZ
- Refrigerant: R410A
- Highlight: **CE 22KW Air Source Heat Pump,
22KW Heat Pump Swimming Pool**

Product Description

22kw Most Efficient Air Source Heat Pump For Swimming Pool Or Spa Facilitis Commercial Domestic

Product Description:

Upgrade your swimming pool or spa with the **most efficient 22kW air source heat pump**, designed for both commercial and residential applications. Engineered for maximum energy savings, this heat pump delivers reliable, eco-friendly heating while significantly reducing operational costs.

Key Features:

- ✓ **High Energy Efficiency** – Advanced inverter technology ensures optimal performance with low energy consumption.
 - ✓ **Powerful Heating Capacity** – 22kW output efficiently heats pools and spas, maintaining comfortable temperatures year-round.
 - ✓ **Smart Control System** – Easy-to-use digital interface with Wi-Fi connectivity for remote monitoring and adjustments.
 - ✓ **Durable & Weather-Resistant** – Built with corrosion-resistant materials, ensuring longevity in various climates.
 - ✓ **Eco-Friendly R410a Refrigerant** – Reduces environmental impact while delivering superior heating performance.
 - ✓ **Quiet Operation** – Designed with noise-reduction technology, making it ideal for residential and hospitality settings.
- Ideal for **hotels, resorts, gyms, aquatic centers, and private pools**, this heat pump provides a sustainable heating solution with **low running costs and high efficiency**.

 **Foshan Meidi Bao Electric Appliance Industry Co., Ltd**
