

Air Source Pump Water Heater Outdoor Household For Residential Hotels Outdoor Use Storage Tank

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meidibao
- Certification: CE
- Model Number: M-D90ADS
- Minimum Order Quantity: 1 unit
- Price: negotiate a price
- Packaging Details: Factory standard packing
- Delivery Time: 30~45days
- Payment Terms: T/T
- Supply Ability: 200 units 30days

Product Specification

- Name: Air Source Inverter Heat Pump
- Type: Invertor
- Power Source: Air Source
- Refrigerant: R32
- Heat Exchanger: PVC Shell Titanium Tube
- Working Temp: 0-43
- Color: Dark Gray Or White
- Highlight: **Household Application Storage Tank Water Heater**
, Residential Hotels Storage Tank Water Heater ,
Outdoor Storage Tank Water Heater

Product Description

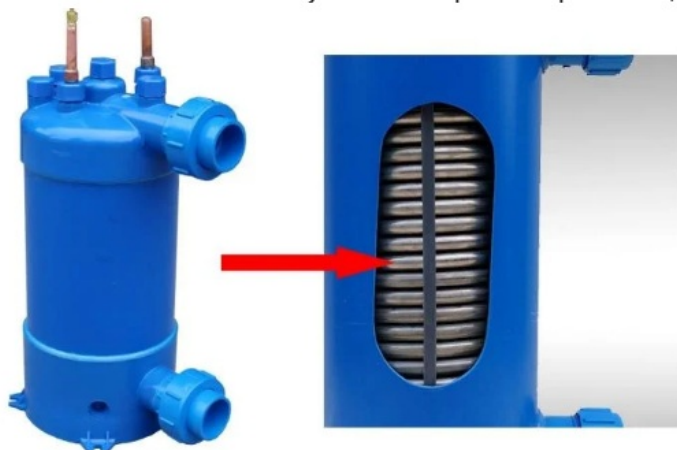

Air Source Pump Water Heater Outdoor Household Application for Residential Hotels Outdoor Use Storage Tank

Product Description:

The Air Source Pump Water Heater is the ideal solution for outdoor water heating, providing a reliable, energy-efficient source of hot water for residential homes and hotels. Designed for outdoor installation, this system integrates a high-performance heat pump with a durable storage tank, ensuring consistent, eco-friendly hot water supply throughout the year, even in colder climates.

Feature:

Outdoor Installation
Energy-Efficient Operation
Durable Storage Tank
Wide Temperature Range
Eco-Friendly R410A Refrigerant

- 3. DC fan motor
- 4. long service life

Specification:

Model:		M-D90ADS
Power Supply	P/V/Hz	3P/380V/50Hz
Rated Heating Capacity	KW	71
Input power	KW	25.61
COP	/	3.8~4.2
Refrigerant Type	/	R32
Refrigerant Volume	g	6200g×2
Applicable Ambient		0-43

Advantages:

Without swimming pool heat pump can only be used for average of four months in a year, If with solar heating it can increase to an average of six to eight months of a year, but this is heavily dependent on the weather as solar heating can only operate in perfect sunshine. With an swimming pool heat pump, your pool can be enjoyed all year round.
