## South Elite Premium Heat Pumps

Foshan Meidibiao Electrical Appliance Co., Ltd, established in 2005, specializes in the research, development and production of heat pumps. With high-quality products and excellent customer service, we have received great praise in markets around the world and established a global sales network covering regions such as Europe, North America, and South Africa.

### Key Features

- Strong low-temperature performance:** Maintains efficient heating with abundant hot water supply even in damp, cold southern winters
- Intelligent Defrosting:** Automatically detects frosting conditions and activates defrosting function to ensure operational efficiency
- Energy conservation:** Variable frequency technology adjusts power as needed for significant energy savings
- Large-capacity supply:** Meets demands of various scenarios including continuous bathing for multiple people and kitchen water supply
- Quality Assurance:** 6-year whole machine guarantee with lifetime maintenance for core components

### Technical Specifications

Model	KFYRS-71II-M11
