

South Elite Premium Heat Pumps Delivering Reliable Hot Water Year Round

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Meidibao
- Certification: CE
- Model Number: MDB-20H
- Minimum Order Quantity: 3 Unit
- Price: negotiate a price
- Packaging Details: Factory standard packing
- Delivery Time: Specific to the order based on regular products 5 to 7 days. Custom made for 30 days
- Payment Terms: T/T
- Supply Ability: 10 Unit/Units per Month

Product Specification

- Name: Meidibao Heat Pump
- Type: Inverter
- Origin: Guangdong Province China
- Working Temp: -7-43
- Dimension: 2000*1100*1960
- Weight: 570
- Highlight: **Premium Heat Pumps, Elite Heat Pump, Premium Heat Pumps for Hot Water**

Product Description

SouthPump Elite: Premium Heat Pumps Delivering Reliable Hot Water Year-Round

Product description:

Foshan Meidibiao Electrical Appliance Co.,Ltd,established in 2005,specialized in the research,development and production of Heat pumps.With high-quality products and excellent customer service, it has received great praise in markets around the world and has established a global sales network covering regions such as Europe, North America, and South Africa.Whether in terms of technological innovation or service provision, we are committed to exceeding industry standards and establishing long-term partnerships based on reliability and performance.

Key Features:

1. Strong low-temperature performance: Even in the damp and cold winter in the south, it still maintains efficient heating with an abundant supply of hot water.
2. Intelligent Defrosting: Automatically detect frosting conditions and intelligently activate the defrosting function to ensure operational efficiency.
3. Energy conservation and power saving: By adopting variable frequency technology, power can be adjusted as needed, achieving more significant energy savings.
4. Large-capacity supply: Meeting the demands of various scenarios such as continuous bathing for multiple people and kitchen water supply.
5. Quality Assurance: The entire machine is guaranteed for 6 years, core components are maintained for life, and after-sales service is worry-free.

Specification:

MODEL	unit	KFYRS-71II-M11
Factory Model Number		MDB-25H
Applicable Ambient Temperature	°C	-7-43
Power Supply Specification	/	380v 3N-50HZ
Rated Heating Capacity	kw	87.3
Nominal Input Power	KW	18.5
Maximum Operating Current	A	47.1
Hot Water Output	L/H	1880
Refrigerant	/	R410A
Air Outlet Mode	/	Push out the wind
Protection Class	/	IPX4
Outlet Water Temperature	/	28-60
Inlet and Outlet Port Type	MM	DN65
Noise	DB(A)	≤74
Dimensions	MM	2000*1100*1960
Weight	KG	640

Advantages:The Southern hot water machine series of heat pumps are not afraid of the damp and cold winter in the south and can still provide efficient heating in low-temperature environments. The intelligent defrosting function automatically ensures operational efficiency. Variable frequency technology regulates power as needed, achieving significant energy savings. Large-capacity supply meets the demands of multiple scenarios such as bathing and kitchen. The whole machine is guaranteed for 6 years, and core components are maintained for life. You can rest assured about after-sales service.
