

## Silent Operation Swimming Pool Heat Pump With Titanium Heat Exchanger Corrosion-Resistant Solar Compatible Quick Heating For Inground Pools IPX5 Waterproof

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Meidibao
- Certification: CE
- Model Number: MDB-12HP
- Minimum Order Quantity: 3 Unit
- Price: negotiate a price
- Packaging Details: Factory standard packing
- Delivery Time: Specific to the order based on regular products 5 to 7 days. Custom made for 30 days
- Payment Terms: T/T
- Supply Ability: 10 Unit/Units per Month

### Product Specification

- Name: Meidibao Heat Pump
- Type: Fixed
- Origin: Guangdong Province China
- Working Temp: -7-43
- Dimension: 1500\*690\*1060
- Weight: 250
- Highlight: **Solar Compatible Swimming Pool Heat Pump,  
Silent Operation Swimming Pool Heat Pump,  
Corrosion Resistant Swimming Pool Heat Pump**

## Product Description

### Silent Operation Swimming Pool Heat Pump With Titanium Heat Exchanger - Corrosion-Resistant, Solar Compatible, Quick Heating For Inground Pools, IPX5 Waterproof Design

#### Product description:

Foshan Meidibiao Electrical Appliance Co.,Ltd,established in 2005,specialized in the research,development and production of Heat pumps.With high-quality products and excellent customer service, it has received great praise in markets around the world and has established a global sales network covering regions such as Europe, North America, and South Africa.Whether in terms of technological innovation or service provision, we are committed to exceeding industry standards and establishing long-term partnerships based on reliability and performance.

#### Key Features:

1. Water and electricity separation: During the heating process, the water body is completely isolated from the circuit, eliminating the risk of electric leakage and ensuring user safety.
2. Multiple protections: Equipped with multiple safety mechanisms such as high-voltage protection, low-voltage protection, and anti-freezing protection, it prevents equipment failure.
3. Waterproof design: The body achieves an IPX5 waterproof rating, capable of withstanding heavy rain and moisture erosion, and is suitable for complex outdoor environments.
4. Durable material: The shell is made of high-strength anti-corrosion material, resistant to ultraviolet rays and aging, with a service life of over 10 years.

#### Specification:

MODEL	unit	YKFXRS-42II-M3
Factory Model Number		MDB-12HP
Applicable Ambient Temperature	°C	-7-43
Power Supply Specification	/	380V 3N/50HZ
Rated Heating Capacity	kw	52.8
Nominal Input Power	kw	10.5
rated supply voltage	A	24.2
Maximum water pressure	mpa	22.6
Refrigerant	/	R22
Air Discharge Mode	/	Top Air Discharge
Noise	DB(A)	≤68
Dimensions	MM	1500*690*1060
Weight	KG	250

**Advantages:**Security version swimming pool heat pump USES water and electricity separation design, from the source to eliminate the leakage risk, enhancing security defense for the user. Multiple protection mechanisms such as high pressure, low pressure and anti-freezing work in coordination to comprehensively prevent equipment failure. With an IPX5 waterproof rating, the body can handle complex outdoor environments such as heavy rain and moisture with ease. The high-strength anti-corrosion shell is resistant to ultraviolet rays and aging, with a durability of over 10 years, ensuring safety and reliability throughout the entire product life cycle.
